Olly's notes...

The colt out of Zrinski is a tall, well balanced horse who moves well with a nice overstride. He has a lovely temperament. Astern was a racehorse with extraordinary ability and an imperious pedigree, so his first runners are eagerly anticipated. Being out of a Redoute's Choice mare is a great advantage for any horse.

Rolling pastures and plentiful water, the finest facilities accrued over several decades of lavish investment, and dedicated, expert staff with judgement and experience. **Twin Hills Stud** – it's a great place to be a horse.

Established by American expat Fred Calvin in the Sixties, Twin Hills Stud was bought by media personality Mike Willesee in the early-Eighties. Renamed Trans Media Park Stud, Willesee built world-class facilities and stood leading sires Snippets and Rubiton.

In 1993, it became an integral part of Jack and Bob Ingham's Woodlands Stud. It was home to a large proportion of their mares as well as stallions such as Strategic and Epsom Derby winner Quest For Fame. The stud was sold to Sheikh Mohammed's Darley in 2008, after which it played a central role in Godolphin's Australian racing operations – it has been the base for such fabulous racehorses as Appearance, Exosphere, Epaulette and Guelph.

Olly and Amber Tait purchased Twin Hills Stud in April 2017.

Its deep history is the inspiration for an exciting future.
