*A Newhaven Park family that is full
of speed – 42 wins on the pedigree
page from 955m to a mile.*

Olly's notes

*This is a glorious colt with few flaws. He
has a lovely head, is a little bigger than
average and walks fluently. Wootton Bassett
has created plenty of chat with his first
Australian yearlings and this colt is an
example of why. This colt's pedigree is very
strong with top horses having been produced
by unfashionable stallions.*

Raised and grazed on superior land

Rolling pastures and plentiful water, the finest facilities accrued over several decades of lavish investment, and dedicated, expert staff with judgement and experience. Twin Hills Stud – it's a great place to be a horse.

Established by American expat Fred Calvin in the Sixties, Twin Hills Stud was bought by media personality Mike Willesee in the early 1980s. Renamed Trans Media Park Stud, Willesee built world-class facilities and stood leading sires Snippets and Rubiton.

In 1993, Twin Hills became an integral part of Jack and Bob Ingham's Woodlands Stud. It was sold in 2008 to Sheikh Mohammed's Darley and was soon central to Godolphin's racing operations.

Olly and Amber Tait purchased Twin Hills Stud in April 2017. Since then, the farm's roll call of successful horses has included Cherry Tortoni, Kimochi, Azula, Vagrant and Felix Majestic – all raised in this ideal environment.

Twin Hills Stud's deep history remains an inspiration for an exciting future.
